**TONY-NOMINATED ACTRESS**  
"CABARET," "BEAUTY AND THE BEAST,"  
"THOROUGHLY MODERN MILLIE"

**What is your style personality:**

Minimalist, fast, and clean. At work, I'm necessarily fancy. In my life - simple, with a touch of whimsy.

**Who is your style icon:**

I love Audrey Hepburn. Her style was lovely and singular. To achieve the same, I think you need to find your own authentic expression.

**Favorite drugstore product:**

Mascara.

**Cufflinks or buttons:**

Cufflinks, buttons, and safety pins ... all wonderful inventions.
